

# BRIEF INTRODUCTION

## 公司简介

河北敬业医药科技股份有限公司是一家立足中国，面向世界的医药高新技术企业，致力于成长为最具竞争力的水杨酸及阿司匹林制造商，专注于心脑血管类制剂、原料药的制造、研发和服务。现有在产品种4个，储备品种6个，均为具有广阔发展前景的心脑血管领域制剂和原料。

公司隶属于中国500强——敬业集团，始建于1988年，工艺设备先进，技术力量雄厚。主要产品敬业牌工业水杨酸、升华水杨酸、药用水杨酸、阿司匹林，历经29年不懈努力，已成为世界知名品牌。公司拥有自营进出口权，产品畅销国内外，国内市场占有率70%，国外出口遍布美国、俄罗斯、英国、德国、法国等欧美国家及诸多亚洲国家和地区。

为将医药产业做得更大更强，敬业医药抓住京津冀协同发展机遇，2016年5月搬迁到北京·沧州渤海新区生物医药产业园。新厂区占地100亩，由天津医药设计院重磅打造，总投资3.5亿元。全部项目建成后年产值达到7.1亿元，实现利税1.6亿元，设计产能，医药中间体水杨酸20000吨/年，水杨酸钠3000吨/年，原料药水杨酸2000吨/年，原料药阿司匹林8000吨/年。

Hebei Jingye Medical Technology Corp.,Ltd is a high-tech company established in China, Devoted to become most competitive Salicylic Acid and Aspirin manufacture. Focusing on R&D for the cardiovascular preparations, APIs. Existing 4 products, 6 reserved products. They all have board development prospect for cardiovascular and cerebrovascular areas on preparations and APIs.

Hebei Jingye Medical Technology Corp.,Ltd affiliates to Hebei Jingye Group. Founded in 1988, our company is advanced in equipment, strong in technical force, and has reached the international leading advanced level. It is the world's largest production base of salicylic acid. Major products are famous Jingye brand technical salicylic acid, sublimed salicylic acid, pharma salicylic acid and aspirin. After 29 years unremitting efforts, it has becomes the world's leading brand. The company has the qualification of import and export, the company products are best selling in domestic and foreign market with the domestic market share of 70% and exporting to United States, Russia, Britain, Germany, France and other Euro-American countries and a large number of Asian countries.

In order to make the pharmaceutical industry bigger and stronger, our new plant is relocated to the National Technology Development Zone- Beijing. Cangzhou Bohai New District Bio-pharmaceutical Industry Park. The new plant covers the area of 16.5 acres, designed by Tianjin medicine Institute, total invested 53 million USD. After all the project complete, we will reach to 108 million USD revenue per year, 24 million USD in profit and taxes. The designed capacity of new plant is 20,000 tons of salicylic acid, 3,000 tons of sodium salicylate, 2,000 tons of salicylic acid medical grade, 8,000 tons of aspirin.

# ENTERPRISE CULTURE

## 企业文化

### 企业精神

Spirit of Enterprise

务实求精，永远争第一  
Practical, Exquisite, and No. 1 of the Industry.

### 品牌定位

Brand Positioning

绿色敬业，精品敬业，诚信敬业  
Environmental Jingye, quality Jingye, and credit Jingye.

### 服务理念

Service Concept

换位思考，感悟客户需求；主动服务，超越客户期待  
Empathy, feeling customer needs; Proactive service, beyond customer expectations.

### 工作作风

Work Style

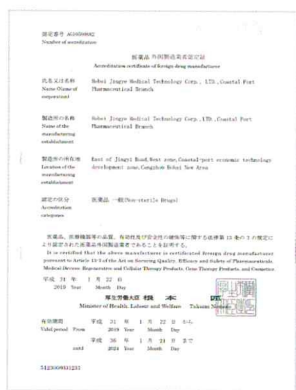

迅速反应，马上行动，做事到位，注重效果  
Prompt response, quick action, appropriate result, satisfactory effect.

# QUALIFICATION CERTIFICATE

## 资质证书

# PRODUCT DISPLAY

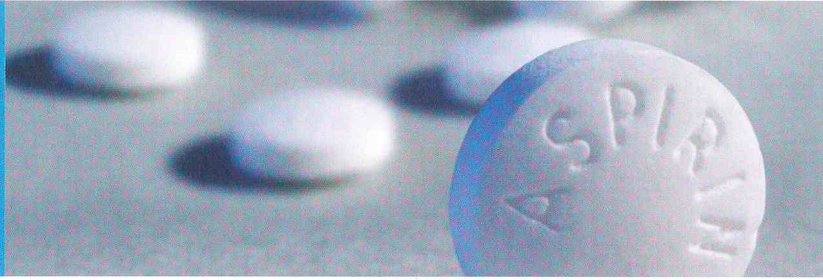

## 产品展示

产品名称 Product name	级别 Grade	检测标准 Standard
工业水杨酸 Technical Salicylic acid	工业级 Technical grade	HG/T 3398-2003
纯化水杨酸 Purified Salicylic acid	纯化级 Purified grade	Q/83JY02-2017
升华水杨酸 Sublimed salicylic acid	升华级 Sublimated grade	Q/JYYYKJ 001-2018
药用水杨酸 Salicylic acid	医药级 Medical grade	BP2017/EP9.0/ USP41/JP-XVII
水杨酸钠 Sodium Salicylate	医药级 Medical grade	BP2017/EP9.0/ USP41/JP-XVII
邻羟基苯甲酸甲酯 Methyl Salicylate	医药级 Medical grade	BP2017/EP9.0/ USP41/JP-XVII

# QUALITY MANAGEMENT

## 质量管理

全员全方位GMP体系，欧美日全球最严药典，世界级药企合作供应商。

All-round GMP system, the world's most stringent pharmacopoeia, EP, JP, USP, the world-class pharmaceutical companies cooperation suppliers.

# OUTSTANDING ADVANTAGES

## 突出优势

### 质量优势

产品符合BP/EP、USP、JP、CP最新质量标准，老牌产品畅销全球质量优势突出。区内北京知名药企研发机构众多，技术交流合作优势明显。

### 规格优势

全力打造“私人订制”，不同目数规格、不同包装形式、不同运输方式，根据客户特殊要求私人订制。

### 服务优势

24小时专线服务，专业售后部门全程跟踪和服务。

### 成本优势

产品原料园区内部循环供应，原料进料加工和成品出口直接由区域内黄骅港进出海，园区内黄骅港保税区进出口成本优势独特。

### 区位优势

位于沧州渤海新区重点打造的国家级临港经济技术开发区生物医药产业园示范区内，政策优势明显；距北京220公里距天津110公里，区位独特、战略地位突出，陆海交通便利，物流成本低廉，域内交通网络密集，205和307两条国道，石黄、荣乌、沿海三条高速和朔黄、邯黄、黄万、沧黄四条铁路纵横交互，集装箱国际班列直通亚欧大陆，域内的黄骅港可直接出口全球，同时距离天津港100公里，交通优势独特。

**The Advantages of Quality:**Our products comply with new quality standards BP/EP,USP,JP,CP.Beijing well-known pharmaceutical companies research institution in our district,so we have obvious advantage of technology exchanges and cooperation.

**The Advantages of Specifications:**“Private Ordering for Customer”,different meshes,different forms of packaging,different modes of transport,private customized according to the special requirements of customers

**The Advantages of Service:**24 hours hotline service,professional after-sales tracking and service department

**The Advantages of Cost:**Production raw material are recycling supplied in the Park,raw material processing and finished products export are all directly from the region in Huanghua port within this region,has the unique cost advantages of Huanghua Port Free Trade Zone.

**The Advantages of Location:**Located in National Level Coastal-port Economic and Technical Development Zone Biomedical industrial park of Cangzhou Bohai New District.Focusing on to build the professional medical park,and it is also in Beijing-Tianjin-Hebei strategic demonstration area 220km to Beijing,110km to Tianjin,and convenient transportation,low logistics cost,intensive traffic network,two national road 205 and 307,ShiHuang ,Rong Wu,and Coastal-port high ways Huang Shuo,Han Huang,Huang Wan and Cang Huang railways international container trains to Europe,the distance from the Tianjin port is 100 kilometers,traffic advantage is unique.
